

Grounds for Sculpture are **print on demand passes, print your confirmation or show your email at the gate.**

Grounds for Sculpture passes are daily passes and can only be used on the day printed on the pass, place a reservation for the day you wish to use the pass.

Since July 2018, all of our Grounds for Sculpture passes are **print on demand** daily passes. No need to pick up or return the passes, just print at home or show your phone at the ticket booth to enter. Note that the pass is only good for the day you reserve it for, so book for the day you plan to go. For example, if you select August 8th on the reservation calendar, then the pass is only good on August 8th.
