Fairy Wand Craft:

Materials: star pattern, plastic straw, glue, markers, crayons, paint, colored pencils, or tissue paper, ribbon, and scissors.

1. Cut out two stars from cardstock or cardboard using the star pattern below.

2. Decorate the stars with markers, crayons, paint, colored pencils, or tissue paper. If you want to add some sparkle you could apply a thin layer of glue on the stars and sprinkle with glitter or use glitter paint to decorate the stars.

3. When the stars are dry, apply glue to the backs of each star and glue the two stars together with a plastic straw inserted between the two star layers.

4. For extra fun you can tie a few pieces of ribbon to the wand underneath the star.
