

**Homebound
Borrowing**

Volunteer Application

Volunteering at your local library is a worthwhile and rewarding opportunity to help someone in need! Volunteering to deliver and pick up library materials from homebound borrowers usually requires about one to two hours, every two to three weeks. Volunteers must be MCLS patrons in good standing. The volunteer agrees to follow library guidelines and the homebound patron’s requests regarding delivery locations, and to keep a regular and prompt schedule with the homebound borrower.

Become a homebound borrower volunteer by filling out this application and returning it to any branch of the Mercer County Library System, or by scanning and emailing it to Sharon Galbraith Ryer at hcprogs@mcl.org.
